# Gigantic Geranium Sale!

The older I get it seems the more things change. Some changes have been good and some changes I think you might agree have been bad for us. One thing that has not changed is the *Gigantic Geranium Sale* at the Green Haus!

The *Gigantic Geranium Sale* will be on Wednesday, May 5<sup>th</sup>, from 7:00 a.m. until 6:00 p.m. Yes it is still just a one day sale. All geraniums are on sale, four inch pots, six inch pots, all hanging baskets and combination planters that contain geraniums. You must purchase 3 of the same size and kind of geranium plants and then you get 1 free of the same size. There is no limit on how many you can buy.

We save no plants for anyone. No hiding plants in the greenhouse on Tuesday so you can get your special colors on Wednesday late in the day. No early sales on Monday or Tuesday. Cash sales only, bring your checkbook and cash; we take no credit and debit cards and no charge accounts on this day. We have had the geranium day for a little over 28 years and we have fun on this day and so do the customers.

If you can't make it for the geranium sale on Wednesday, May 5<sup>th</sup>, then come in a few days before the sale and you can still purchase our geraniums at regular prices. We have fantastic homegrown geraniums that have been babied for months just for you.

There is one new change to Geranium Day we will start this year. Save a dollar on any fertilizer on Geranium Day. Fertilome Blooming and Rooting, Fertilome Root Stimulator, Color Star, Osmocote, you choose what kind you like, buy it on May 5<sup>th</sup> and save a dollar! We grow our own and that's the difference.
